www.mediray.com

- [Medi-Ray™](#), a lead castings manufacturing company, specializes in the design and manufacture of precision lead components since 1970.
- From aerospace to radio-pharmaceuticals, Medi-Ray™ has the processes and the technology to meet your needs and exceed your expectations.

Medi-Ray™ Processes

Lead Castings

- Medi-Ray™ offers die-casting and automated gravity pour casting.
- Custom casting equipment allows the manufacture of low porosity, high density metal castings.

Lead Extrusions

- Custom extrusion equipment enables Medi-Ray™ to provide lead extrusion capability.

Lead Stamping

- Stamping provides an excellent alternative for both prototype and production size quantities.
- Medi-Ray™ concentrates on stamping lead thicknesses from .020" to .125" in stamping applications.

Lead Coating

- Medi-Ray™ is the industry leader in developing coatings to guarantee paint adherence to [lead products](#).
