www.mediray.com

- **Medi-Ray™** can accommodate a tremendous range of **lead container requirements**.
- The **coated lead containers** utilized for radiopharmaceuticals have interlocking lid/base designs.
- They can come equipped with bottle sponges and desiccant liners.

- The proprietary coatings utilized by Medi-Ray™ guarantee adhesion with no cracking or chipping as are so often found with other companies' products.

- Our containers can be coated in any PMS referenced color to provide product and brand recognition.

Contact Medi-Ray™

- Medi-Ray™ has been the largest supplier of radio-pharmaceutical [shipping containers](#) since 1974.
- We have revolutionized the design and production of every type of **shielded medical containers**.
